World Youth Day 2008
July 15-20, 2008

In 2008, 340,000 pilgrims are expected to make a long and faith filled pilgrimage to Sydney Australia to meet with the Pope.

SJN Youth Ministry is looking forward to taking youth to Sydney to share this experience with catholic youth and young adults from all over the world.

If you are going to be a junior or senior in the summer of 2008, please carefully contemplate if this trip is something you would like to experience. Call Yolanda 581-9156 ext. 220.

Cost of trip: approximately \$4100.00 per youth
(We have three years to raise the money for this trip.)
